

## **TASTING NOTES**

### **2019**

**90/100**

**YVES BECK**

Rouge grenat dense aux reflets violets. Le bouquet de Margo est de bonne intensité. Il allie des notes florales, épicées et fruitées. Caractère juteux et frais en bouche. Les tannins sont bien intégrés et la structure soutient l'expression aromatique. Un vin équilibré, élégant à savourer dans sa jeunesse. Maintenant - 2024

**90/100**

**ROD SMITH**

Super-saturated purple colour. Sweet bright violet fruit, cassis and damson. Very rich and concentrated with ripe spicy tannins. A little more freshness than the Muse, but nevertheless super-concentrated and rich flavours of prune, plum, cassis and crème de mûre. Juicy structured fruit with some tarry tannins. Rich finish.

### **VINOUS**

The 2019 Margo "Cuvée de Coeur" is a limited bottling, around 800 bottles, a monocépage of Cabernet Franc that is raised in amphora without SO2 (this is named after a young girl in remission.) It has an opulent bouquet with plush, extravagant red fruit, kirsch and Clementines. What could have been a rather ostentatious cuvée is actually well defined and focused. The palate is medium-bodied with sweet candied red fruit laced with white pepper and clove, modest depth with flecks of mocha towards the finish. To be honest, the Muse de Val is more to my taste. I won't score this, but it's for a good cause, so go ahead and buy a bottle.
